IDENTIFICATION NUMBER: C00606962

REFERENCE: SEPTEMBER MONTHLY REPORT (08/01/2022 - 08/31/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule D of your report itemizes debt owed to "Action Saint Louis Project" and "Base Builder" with outstanding beginning balances totaling \$50,000 and \$54,000, respectively, not included on your previous report. Please file an amendment to your report(s) to correct this discrepancy. (11 CFR § 104.11(b))
2. Your committee has filed a 24 hour report for an independent expenditure supporting "BALINT, REBECCA BECCA" (see attached) which has not been itemized on Schedule E supporting Line 24 of the Detailed Summary Page. Please be advised that independent expenditures disclosed on 24 hour reports must also be itemized on a corresponding Schedule E or MEMO Schedule E and Schedule D (if applicable), in the appropriate reporting period. Further, if the actual payment(s) for the independent expenditure(s) occurs after the date of dissemination, the appropriate report(s) should continue to show payment on Schedule E and Schedule D, until the debt is fully extinguished. Please amend your report and any subsequent reports that may be affected by this correction. (11 CFR §104.4)
3. Schedule E supporting Line 24 of your report discloses Independent Expenditures supporting "BARNES, MANDELA" for the 2022 Wisconsin Senate and "STEVENS, HALEY" for the 2022 Michigan 11th Congressional District elections. However, you have disclosed the Office Sought information for the Wisconsin US House and Missouri 1st Congressional District elections, respectively. Please amend Schedule E to provide the correct candidate, address,

election designation, office sought, state and district information. 11 CFR §104.3(b)(3)(vii)

4. Schedule E of your report indicates that your committee may have failed to file one or more of the required 48 hour report(s) for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20th day before an election. The report must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures that aggregate \$10,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. (11 CFR §104.3(b))

5. Your committee filed 24 hour and 48 hour reports informing the Commission of independent expenditures made in support or opposition of federal candidates. However, the dates of public dissemination disclosed on these reports do not appear to correlate with the entries on Schedule E, supporting Line 24 for the reporting period (see attached). If your committee has filed 24 hour or 48 hour reports supporting independent expenditures not reflected on your reports, you must file Schedule E during the appropriate reporting period to disclose these payments. Please amend your report to clarify this discrepancy and provide further information concerning these reports. (11 CFR §104.4)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
